

The Well

Casting Crowns

Leave it all behind,
Leave it all behind,
Leave it all behind,
Leave it all behind, I have what you need,
But you keep on searchin,
I've done all the work,
But you keep on workin,
When you're runnin on empty,
And you can't find the remedy,
Just come to the well.
You can spend your whole life,
Chasin what's missing,
But that empty inside,
It just ain't gonna listen.
When nothing can satisfy,
And the world leaves you high and dry,
Just come to the well
And all who thirst will thirst no more,
And all who search will find what their souls long for, The world will try, but it can never fill,
So leave it all behind, and come to the well
So bring me your heart
No matter how broken,
Just come as you are, When your last prayer is spoken,
Just rest in my arms a while,
You'll feel the change my child,
When you come to the well And all who thirst will thirst no more,
And all who search will find what their souls long for,
The world will try, but it can never fill,
So leave it all behind, and come to the well
Yeah Leave it all behind
The world will try, but it can never fill... leave it all behind
And now that you're full,
Of love beyond measure,
Your joy's gonna flow,
Like a stream in the desert,
Soon all the world will see that living water is found in me,
Cuz you came to the well
And all who thirst will thirst no more,
And all who search will find what their souls long for,
The world will try, but it can never fill,
So leave it all behind, and come to the well
