Stupid Boy

Cassadee Pope

Well, she was precious like a flower She grew wild, wild but innocent A perfect prayer in a desperate hour She was everything beautiful and differentStupid boy, you can't fence that in Stupid boy, it's like holding back the wind She laid her heart and soul right in your hands And you stole her every dream and you crushed her plans She never even knew she had a choice and that's what happens When the only voice she hears is telling her she can't Stupid boy, stupid boy OhSo what made you think you could take a life And just push it push it around I guess to build yourself up so high You had to take her and break her down She laid her heart and soul right in your hands And you stole her every dream and you crushed her plans She never even knew she had a choice and that's what happens When the only voice she hears is telling her she can't You stupid boyOh, you always had to be right but now you've lost The only thing that ever made you feel alive Yeah, yeahWell, she laid her heart and soul right in your hands And you stole her every dream and you crushed her plans Yes, you did She never even knew she had a choice and that's what happens When the only voice she hears is telling her she can't You stupid boy, oh, I'm the same old Same old stupid boyIt took awhile for her to figure out she could run But when she did, she was long gone, long gone Ah, she's gone, she's long gone. Yes, she's goneNobody's ever gonna love me like she loved me And she loved me, she loved me God please, just let her know I'm sorry, I'm sorry I'm sorry, I'm sorry Baby, yeah, I'm down on my knees
