

# Critical Acclaim

## Avenged Sevenfold

[Verse 1: M. Shadows]

(Shh! Quiet, you might piss somebody off!)  
Like me, motherfucker, you've been at it for too long  
While you feed off others insecurities  
You stand in front of me and bite the hand that feeds

[Pre-Chorus 1: M. Shadows]

Self-righteousness is wearing thin  
(Lies inside your head, your best friend)  
Heart bleeds but not for fellow men  
(Broken glass, your fake reflection)

[Chorus: The Rev]

I've had enough, it's time for something real  
I don't respect the words you're speaking  
Gone too far, a clone

[Spoken Words: M. Shadows]

So, how does it feel to know that  
Someone's kid in the heart of America has blood on their hands  
Fighting to defend your rights so you can maintain the lifestyle  
That insults his family's existence?  
Well, where I'm from we have a special salute  
We aim high in the air towards all those pompous assholes  
Who spend their days pointing fingers  
(Fuck you!)

[Verse 2: M. Shadows]

(Shh be quiet, you might piss somebody off)  
Like the heartbeat of this country when antagonized too long  
I'll be damned if you count me in as part of your  
Generous hypocrisy, collecting enemies

[Pre-Chorus 2: M. Shadows]

Tabloid gossip queen, worthless man  
(There's no need for us to bury you)  
Selfish agenda once again  
(Right this way, you dug your own grave)

[Chorus: The Rev]

I've had enough, it's time for something real  
I don't respect the words you're speaking  
Gone too far, a clone

[Spoken Words: M. Shadows]

All the way from the east to the west  
We got this high society looking down on their very foundation  
Constantly reminding us that our actions  
Are the cause of all their problems  
Pointing their fingers in every direction  
Blaming their own nation for who wins elections  
They never contributed a fucking thing  
To the country they love to criticize

[Bridge: M. Shadows]

Excuse the obscene, ignore the untrue  
Depictions we see, try and get through  
Admitting mistakes can hurt  
I'm not the last but I sure ain't the first

[Hook: M. Shadows]

(Shh! Be quiet, you might piss somebody off)

[Pre-Chorus 1: M. Shadows]

Self-righteousness is wearing thin  
(Lies inside your head, your best friend)  
Heart bleeds but not for fellow men  
(Broken glass, your fake reflection)

[Chorus: The Rev]

I've had enough, it's time for something real  
I don't respect the words you're speaking  
Gone too far, a clone
