

# Citizen Soldier

## 3 Doors Down

Beyond the boundaries of your city's lights  
Stand the heroes waiting for your cries  
So many times you did not bring this on yourself  
When the moment finally comes, I'll be there to help  
And on that day, when you need your  
brothers and sisters to care  
I'll be right here  
Citizen soldiers  
Holding the light for the ones that we guide from the dark of despair  
Standing on guard for the ones that we've sheltered  
We'll always be ready because we will always be there  
When there're people crying in the streets  
When they're starving for a meal to eat  
When they simply need a place to make their beds  
Right here underneath my wing, you can rest your head  
On that day, when you need your  
brothers and sisters to care  
I'll be right here  
Citizen soldiers  
Holding the light for the ones that we guide from the dark of despair  
Standing on guard for the ones that we've sheltered  
We'll always be ready because we will always be there  
Hope and pray, that you never need me  
But rest assured I will not let you down  
I walk beside you, but you may not see me  
The strongest among you may not wear a crown  
On that day when you need your brothers and sisters to care  
I'll be right here  
On that day when you don't have the strength for the burden you bear  
I'll be right here  
Citizen soldiers  
Holding the light for the ones that we guide from the dark of despair  
Standing on guard for the ones that we've sheltered  
We'll always be ready because we will always be there
