

# Kama Sutra (feat. Kid Ink)

Jason Derulo

Yeah  
We could, we could...We could call it Kama Sutra  
You trying tie me up (trying tie me up)  
Shawty thinking about the future  
I'm just trynna pour up  
Come out of those jeans  
And make me a believvvvver (woop woop)  
Put it on me  
I ain't never gone leave ya  
Kama Kama Sutra  
Kama Kama Sutraaa babe (yeah)  
Kama Kama Sutra  
Trying tie me upTie me up (trynna tie me up)  
In the bathroom  
Taking pictures  
Paparazzi she a A list though  
And her girlfriend, that came with her  
And my bet is yes, she came with herCall 911 on me if I don't put a ring on this girl  
Call 911 cause when she do me like thisWe could call it Kama Sutra  
You trying tie me up (trying tie me up)  
Shawty thinking about the future  
I'm just trynna pour up (yeah)  
Come out of those jeans  
And make me a believvvvver (woop woop)  
Put it on me  
I ain't never gone leave ya  
Kama Kama Sutra (kama kama sutra)  
Kama Kama Sutraaa babe  
Kama Kama Sutra (kama kama sutra)  
Trying tie me up  
Tie me upFur handcuffs  
Got the zip up  
That's that freaky shit that I'm in toBlack tripod, pink blind?  
I ain't even know she was so?  
Call 911 on me if I don't put a ring on this girl  
Call 911 cause when she do me like thisWe could call it Kama Sutra  
You trying tie me up (trying tie me up)  
Shawty thinking about the future  
I'm just trynna pour up (yeah)  
Come out of those jeans  
And make me a believvvvver (woop woop)  
Put it on me

I ain't never gone leave ya Kama Kama Sutra ((kama kama sutra)  
Kama Kama Sutraaa babe  
Kama Kama Sutra (kama kama sutra)  
Trying tie me up  
Tie me up I said call it kama sutra  
You look so beauti-ful  
Hitting on the hookah  
I could tell you a freak though  
Shots ain't nothing but a free throw  
Ducking round here like you the hot shit Trying tie me up, I'm a hot stitch  
But I never call 911  
Hands everywhere like I got 6 on  
Like she fly, but I'm feeling on your?  
Uh, shawty think about the future  
Found me when ever you around me We could call it Kama Sutra  
You trying tie me up (trying tie me up)  
Shawty thinking about the future  
I'm just trynna pour up (yeah)  
Come out of those jeans  
And make me a believvvver (woop woop) Put it on me  
I ain't never gone leave ya  
Kama Kama Sutra ((kama kama sutra)  
Kama Kama Sutraaa babe  
Kama Kama Sutra (kama kama sutra)  
Trying tie me up
