

Tu Amor

Kaci

Mi Querido Tu Amor, your love
Tu Amor, your love for me
Tu Amor, your love
Tu Amor your love for me Since the day that you appeared
I haven't been the same, oh no
The way you looked into my eyes
Just swept me away Well if you want me
You've got me
There's nothing to keep you from me
I'm ready, I'm willing
I'm yours faithfully
Tu Amor, the passion that I'm living for
Tu Amor, your love for me
Tu Amor, is everything I'll ever need
Tu Amor, Amor por MI (Oh, ah)
Tu Amor Your wrote your name across my heart
It's to you that I belong
Amor mio you're my life
It's for you I sing this song And I feel you inside me
You're with me where ever I go
I'm giving my body
My heart and my soul Tu Amor, the passion that I'm living for
Tu Amor, your love for me
Tu Amor, is everything I'll ever need
Tu Amor, Amor por MI
Tu Amor, the passion that I'm living for
Tu Amor, your love for me
Tu Amor, is everything I'll ever need
Tu Amor, Amor por MI MI Carino, MI Amor, MI nino, MI carazon Well if you want me
You've got me
There's nothing to keep you from me (yeah)
I'm ready, I'm willing
I'm yours faithfully Tu Amor, the passion that I'm living for
Tu Amor, your love for me
Tu Amor, is everything I'll ever need
Tu Amor, Amor por MI The passion that I'm living for
Tu Amor, your love for me
Tu Amor, is everything I'll ever need
Tu Amor, Amor por MI (Your love, your love, your love) Your love for me
Mor por me
(Your love, your love, your love) Your love for me
