

# Either Way

Chris Stapleton

[Verse 1]

We pass in the hall  
On our way to separate rooms  
The only time we ever talk  
Is when the monthly bills are due

[Pre-Chorus 1]

We go to work, we go to church  
We fake the perfect life  
I'm past the point of give a damn  
And all my tears are cried

[Chorus]

We can just go on like this  
Say the word, we'll call it quits  
Baby, you can go or you can stay  
But I won't love you either way

[Verse 2]

It's been so long since I've felt  
Anything inside these walls  
You can't hate and you can't hurt  
When you don't feel at all

[Pre-Chorus 2]

I used to cry and stay up nights  
And wonder what went wrong  
And it's been hard  
But hearts can only do that for so long

[Chorus]

We can just go on like this  
Say the word, we'll call it quits  
Baby, you can go or you can stay  
I won't love you either way

[Outro]

We can just go on like this  
Say the word, we'll call it quits  
Baby, you can go or you can stay

But I won't love you either way
