

# Hold on Longer

John Legend

[Produced by 88 Keys, Dave Tozer & Kanye West]

[Verse 1]

Broken hearts rain on our heads 'til it floods  
But I won't run, I'm with you, that's enough  
Kiss me now so you won't run

[Hook]

Out of breath underwater  
Girl you can hold on longer  
Girl you can hold on longer  
Girl you can hold on longer  
Long as you want  
Oh, oh, oh, oh

[Verse 2]

Love is an ocean  
Swimming and try not to drown  
Right in the waves  
Praying we don't go down  
In the undertow I'll pull you out

[Hook]

Out of breath underwater  
Girl you can hold on longer  
Girl you can hold on longer  
Girl you can hold on longer  
Long as you want  
Oh, oh, oh, oh
