

Charlie Chazz & Rappin Ralph

Duck Sauce

[Charlie Chazz]

Hello party people in the place to be
I'm Charlie Chazz, you see
I came to boogie and party down
From here to eternity
So if you think you're ready to rock
Say "give me some mo"

I said a' one, two, three, four
Get on now on the dance-floor
I said one, two, three, four
Get on now on the dance-floor

[Rappin Ralph]

Hello party people in the place to be
I'm Rappin Ralph, you see
I'm the host of the most
Proposing a toast to my man
Charlie Chazz and me
All the ladies in the place
With style and grace
If you got your good shoes on

Just step to the right
Then groove to the left
We're rocking 'till the break of dawn

Charlie
Chazz
Rappin
Ralph
