

# Some Nights (Extended)

SAINT JHN

[Chorus]

Some nights, some nights I drink way too much  
And I smoke just to feel like I'm in a vibe  
Some nights I kill myself just so I can feel like I'm so alive  
Just so I can feel like I'm in a moment with you  
And I wake up and do it all again, I'm forgetful  
Some nights, some nights I drink way too much  
And I smoke just to feel like I'm in a vibe  
Some nights I kill myself just so I can feel like I'm too alive  
Just so I can feel like I'm in a moment with you  
And I wake up and do it all again, I'm forgetful

[Verse 1]

Who the fuck needs trophies  
Money feed the kids, nigga gimme that (Gimme that)  
I'm not a shooter but I promise I know just how that Semi act  
Baby boy, Gucci sneaks and I need my Similac  
That steak is medium rare, not rare, send it back, send it back  
Friction got us goin' our separate ways  
I promise that if forever starts tomorrow, and she'd never wait  
So if I'm wrong now say that I'm wrong, let me know  
Some nights

[Verse 2]

Loosin' your mind the whole time  
If you're all mine, then say you're all mine  
We've both been blurrin' the lines, we're so blind  
I say we're both tryin', you say there's no time  
I give you my all, so ain't nothing fuckin' left  
You told me you're leavin', I told you I ain't gone cry  
So I never wept  
And I gamble with my life, so tonight I'm placin' heavy bets

[Chorus]

Some nights, some nights I drink way too much  
And I smoke just to feel like I'm in a vibe  
Some nights I kill myself just so I can feel like I'm so alive  
Just so I can feel like I'm in the moment with you  
Then I wake up and do it all again, I'm forgetful

[Verse 3]

I can send a Uber for you right now  
I can get you here in like 20 minutes  
When you come here, we like that  
What we gon' talk about soon as we finish?  
That's a waste of time  
I can't be yours, and you can't be mine  
This can not rewind  
We can not both be so blind  
I overspend on drinks, so you can enjoy yourself  
Let's not forget those moments, oh baby, oh  
This shit got me too fucked up right now, pardon me  
It's hard to let go of you, 'cause you're a part of me

[Chorus]

Some nights, some nights I drink way too much  
And I smoke just to feel like I'm in a vibe  
Some nights I kill myself just so I can feel like I'm so alive  
Just so I can feel like I'm in the moment with you  
Then I wake up and do it all again, I'm forgetful
