

Gone

*NSYNC

There's a thousand words that I could say
To make you come home, yeah
Seems so long ago you walked away
Left me alone And I remember what you said to me
You were acting so strange, mmm
And maybe I was too blind to see
That you needed a change Was it something I said
To make you turn away?
To make you walk out and leave me cold?
If I could just find a way
To make it so that you were right here
Right now
I've been sitting here
Can't get you off my mind
I've tried my best to be a man and be strong I've drove myself insane wishing I could touch your
face
But the truth remains you're gone You're (Gone)
Baby, you're (Gone)
Girl you gone, baby girl you're (Gone) You're (Gone)
You're...
Now, I don't wanna make excuses, baby
Won't change the fact that you're gone, no no
But if there's something that I could do
Won't you please let me know?
The time is passing so slowly now
Guess that's my life without you, mmm (Guess that's my life without you)
And maybe I could change my every day, yeah But baby I don't want to
So I'll just hang around and find some things to do
To take my mind off missing you (Take my mind off missing you)
And I know in my heart you can't say that you don't love me too
Please say you do Yeeaah...
I've been sitting here Can't get you off my mind
I've tried my best to be a man and be strong (My best to be a man and be strong)
I Drove myself insane wishing I could touch your face
But the truth remains - truth remains you're gone
You're (Gone)
You're (Gone)
You're gone, You're (Gone)
You're (Gone) Yeah...
What'll I do if I can't be with you?
Tell me where will I turn to
Baby who will I be

Now that we are apart?
Am I still in your heart?
Baby why don't you see
That I need you here with me?
Ohhh...
I've been sitting here
Can't get you off my mind
I've tried my best to be a man and be strong (My best to be a man)
I've drove myself insane wishing I could touch your face
But the truth remains (the truth remains you're gone)
Been sitting here
Can't get you off my mind
I've tried my best to be a man and be strong (My best to be a man)
I drove myself insane wishing I could touch your face
But the truth remains - Baby the truth is you're gone
You're (Gone)
You're (Gone)
Girl you gone, baby girl you're (Gone)
You're (Gone)
But the truth remains you're
