

New Thang

Redfoo

Oh, the way that you pop, girl
Makes me go cray, show me whachya got, girl!
You could be my new thang
Oh, the way that you move
Makes me go cray, do ya luv that drop, girl?
You could be my new thang
Aha, uhuhu uhuhu
Aha, uhuhu uhuhu
Get saxy, girl, get saxy
Get saxy, girl, get saxy
Get saxy, girl, get saxy
I heard it's yo birthday
Grab a drink if ya thirsty
I can see that ya need an OG
That can do ya the beast and the worst way
Pop it like a go-go
Drop it like a low-low
What's that? It's a go-pro?
So I can watch that back, HD- Slo-moI don't care if it's the first beat
I'll take ya back to my place
We can skip first base
Cuz a playa like me
Tryna slide into home plate
Clap clap, make it clap
Lights on, lights off
Make it clap
Yeah
Make it clap
My name ain't Santa
But she sittin' on my lap
Oh, the way that you pop, girl
Makes me go cray, show me whachya got, girl!
You could be my new thang
Oh, the way that you move
Makes me go cray, do ya luv that drop, girl?
You could be my new thang
Aha, uhuhu uhuhu
Aha, uhuhu uhuhu
Get saxy, girl, get saxy
Get saxy, girl, get saxy
Get saxy, girl, get saxyI heard that ya single
Now ya talkin' my lingo

Let's play casino
Bring four friends plus you
Bingo! Ye ain't nuttin' but a flirt
The way ya bouncin' in that shirt
It's amazin' how ya drop it
Pick it up and still make it workYo body lethal, I might LA freak ya
Goddamit, that booty fast
Sittin' high up on yo back
What the f&*() did they feed ya?
Clap clap, make it clap
Lights on, lights off
Make it clap

My name ain't Apple
But they call me the MacOh, the way that you pop, girl
Makes me go cray, show me whachya got, girl!
You could be my new thang
