

# Disease

## Matchbox Twenty

Feels like you made a mistake  
You made somebody's heart break  
But now I have to let you go  
I have to let you go You left a stain  
On every one of my good days  
But I am stronger than you know  
I have to let you go No one's ever turned you over  
No one's tried  
To ever let you down  
Beautiful girl  
Bless your heart  
I got a disease  
Deep inside me  
Makes me feel uneasy baby  
I can't live without you  
Tell me what am I supposed to do about it  
Keep your distance from me  
Don't pay no attention to me  
I got a disease Feels like you're making a mess  
You're hell on wheels in a black dress  
You drove me to the fire  
And left me there to burn Every little thing you do is tragic  
All my life, oh was magic  
Beautiful girl  
I can't breathe  
I got a disease  
Deep inside me  
Makes me feel uneasy baby  
I can't live without you  
Tell me what am I supposed to do about it  
Keep your distance from me  
Don't pay no attention to me  
I got a disease  
I think that I'm sick  
But leave me be while my world is coming down on me  
You taste like honey, honey  
Tell me can I be your honey  
Be, be strong  
Keep telling myself that it won't take long till  
I'm free of my disease Yeah well free of my disease  
Free of my disease I got a disease  
Deep inside me

Makes me feel uneasy baby  
I can't live without you  
Tell me what am I supposed to do about it  
Keep your distance from me  
Don't pay no attention to me  
I got a disease I think that I'm sick  
But leave me be while my world is coming down on me  
You taste like honey, honey  
Tell me can I be your honey  
Be, be strong  
Keep telling myself that it won't take long till  
I'm free of my disease  
Hey, free of my disease  
Set me free of my disease  
Oh, yeah
