Breakin' Up (Hot Chip Remix)

Rilo Kiley

It's not as if New York City
Burnt down to the ground
Once you drove away
It's not as if the sun won't shine
When clouds up above

Wash the blues awayAre we breakin' up? (Breakin' up)

Are we breakin' up? (Breakin' up)

Is there trouble between you and I?

Did my heart break enough? (Break enough)

Did it break enough (Break enough)

This time? Here's to all the pretty words

We will never speak

Here's to all the pretty girls

You're gonna meet

Am I breakin' up? (Breakin' up)

Am I breakin' up? (Breakin' up)

Is there trouble on the line?

Did your heart break enough? (Break enough)

Did it break enough (Break enough)

This time?Ooh, it feels good to be free

Ooh, it feels good to be free

Ooh, it feels good to be freeBetrayal is a thorny crown

You wear it well

Just like a king

Revenge is the saddest thing

Honey, I'm afraid to say

You deserve everything

Am I breakin' up? (Breakin' up)

Are we breakin' up? (Breakin' up)

Is there trouble between the lines?

Did your heart break enough? (Break enough)

Did it break enough (Break enough)

This time?Ooh, it feels good to be free

Ooh, it feels good to be free

Ooh, it feels good to be freeOoh, it feels good to be free

Ooh, it feels good to be free

Ooh, it feels good to be free Ooh, it feels good to be free
