

Flying With the Vultures

Lionize

Empty private islands, crowded private clubs
Diamond-covered babies, baby cheetah cubs
Boring, banging blues get through banging pills
Kleenax clinging ladies hanging daddy's kills
Cable intervention, rehab for the stars

[hook]

Follow the recipe, network is better if
We get what we can while the getting's good
Smoke 'em if you got 'em
And drag 'em to the bottom
If we can't own it, then nobody should

Weekend tropic trippin', endless tropic flu
Moved up for the taping, neck up out of view
15 minutes make you 60 minutes list
Sycophantic faking, just give me the gist
Bought some robot rhythms, fresh new robot rhymes

[hook]

Gorgeous surges right off the rack
Inside the looking glass, the rabbits test you back
Who's more fun than vixens and fur
Flying with the vultures, it's the fight of voyeurs (x2) now

[hook x2]
