

# Not Alone

Darren Criss

I've been alone  
Surrounded by darkness  
I've seen how heartless  
The world can be I've seen you crying  
You felt like it's hopeless  
I'll always do my best  
To make you see Baby, you're not alone  
'Cause you're here with me  
And nothing's ever gonna bring us down  
'Cause nothing can keep me from lovin' you  
And you know it's true  
It don't matter what'll come to be  
Our love is all we need to make it through...  
Now I know it ain't easy  
But it ain't hard trying  
Everytime I see you smiling  
And I feel you so close to me...  
And you tell me: Baby, you're not alone  
'Cause you're here with me  
And nothing's ever gonna bring us down  
'Cause nothing can keep me from lovin' you  
And you know it's true  
It don't matter what'll come to be  
Our love is all we need to make it through... I still have trouble  
I trip and stumble  
Trying to make sense of things sometimes...  
I look for reasons  
But I don't need 'em  
All I need is to look in your eyes  
And I realize... Baby, I'm not alone  
'Cause you're here with me  
And nothing's ever gonna take us down  
'Cause nothing can keep me from lovin' you  
And you know it's true  
It don't matter what'll come to be  
Our love is all we need to make it through... Oh, 'cause you're here with me  
And nothing's ever gonna bring us down  
Cause nothing, nothing, nothing  
Can keep me from lovin' you  
And you know it's true  
It don't matter what'll come to be  
You know our love is all we need Our love is all we need

To make it through...
