

# In a Big Country (Radio Edit)

## Big Country

Ha've never seen you look like this without a reason  
Another promise fallen through, another season passes by you Shock I never took the smile  
away from anybody's face  
And that's a desperate way to look for someone who is still a child In a big country, dreams stay  
with you  
Like a lover's voice fires the mountainside  
Stay alive I thought that pain and truth were things that really mattered  
But you can't stay here with every single hope you had shattered I'm not expecting to grow  
flowers in a desert  
But I can live and breathe and see the sun in wintertime  
In a big country, dreams stay with you  
Like a lover's voice fires the mountainside  
Stay alive In a big country, dreams stay with you  
Like a lover's voice fires the mountainside  
Stay alive So take that look out of here, it doesn't fit you  
Because it's happened doesn't mean you've been discarded  
Pull up your head off the floor, come up screaming  
Cry out for everything you ever might have wanted  
I thought that pain and truth were things that really mattered  
But you can't stay here with every single hope you had shattered Shock, 1, 2 I'm not expecting to  
grow flowers in a desert  
But I can live and breathe and see the sun in wintertime In a big country, dreams stay with you  
Like a lover's voice fires the mountainside  
Stay alive  
In a big country, dreams stay with you  
Like a lover's voice fires the mountainside  
Stay alive In a big country, dreams stay with you  
Like a lover's voice fires the mountainside  
Stay alive
