Steppin' Right Along

Bill Withers

Steppin' right along
Like it ain't nothing, baby
Something just, something blew your mind
Something come along
To make you stronger, baby
But you know it got to take time

Talk a little deep
To make you wonder, baby
And it's not that same old line

Whoa, look out now

Something some time
Come along and blow your mind
Watch out, girl
Somebody hot (hot!)
Make you give up everything you got

Steppin' right along
Like it ain't nothing, baby
Something just, something just blows your mind
Something come along
That kick like thunder, baby
You know got to give it up for them
Right on time

'Would it be wise or weak?'
You wonder, baby
Goodbye Reason, Hello Rhyme
Look out, girl

Something some time
Come along and blow your mind
Watch out, girl
Somebody hot (hot!)
Make you give up everything you got

Steppin' right along Like it ain't nothing, baby Something come along
And just blew your mind
'Some kind of magic spell?'
You wonder, baby
Make a drink of muddy water
Taste like wine

And 'Would it be wise or weak?'
You wonder, baby
Goodbye Reason, Hello Rhyme
'Love made me do it!'

Something some time
Come along and blow your mind
Watch out, girl
Somebody hot (hot!)
Make you give up everything you got

Said I will follow...the Lord in Heaven I wanna be...thy holding(?) angel Til the Kingdom come Thy will be down Down here on earth Just like it is in Heaven Give us this day Our...daily bread Give us our sins We forgive our brothers Lead us far away, every day From temptation Heavenly Father Deliver us from evil Thine is the kingdom And the Power And the Glory Forever! Heavenly Father Sweet Heavenly Father Heavenly Father Sweet sweet Heavenly Father Sweat ol' Heavenly Father (x2)
