

White Boi (feat. Lao Ra)

Dillon Francis

Hey papi what I wish
Ya, you my favorite dish
Can I get a taste?
Baby can I get a lick?
No entiende mi Spanglish
But you can read my body language, ya my body
Fell in love with a white boi
He's my hot boi
He knows how to turn me on
Always gives me what I want
He's my white boi
Ya my hot boi
Sabe bien lo que hay que hacer
Para darme todo el placer (yea)
Fell in love with a (white boi boi boi boi)
Fell in love with a (white boi boi boi boi)
Fell in love with a (white boi boi boi boi)
Fell in love with a (white boi boi boi boi) Hola mami tú te pones muy rabiosa
Esta boca baby como me provoca
Ay me gusta como tú te vuelve loca, loca
Me repite, me repite
Me lo dice al oído
Llevame a Colombia, mi morena te lo pido
Quiero hacerte un hijo, yo no quiero ser tu amigo
Mhhhm yo no quiero ser tu amigo Hey papi what I wish
Ya, you my favorite dish
Can I get a taste?
Baby can I get a lick?
No entiende mi Spanglish
But you can read my body language, ya my body
Fell in love with a white boi
He's my hot boi
He knows how to turn me on
Always gives me what I want
He's my white boi
Ya my hot boi
Sabe bien lo que hay que hacer
Para darme todo el placer (yea) Fell in love with a (white boi boi boi boi)
