

# Violet

## Hole

And the sky was made of amethyst  
And all the stars were just like little fish  
You should learn when to go  
You should learn how to say no  
Might last a day, yeah  
Mine is forever  
Might last a day, yeah  
Mine is forever  
Well they get what they want, and they never want it again  
Well they get what they want, and they never want it again  
Go on, take everything, take everything, I want you to  
Go on, take everything, take everything, I want you to  
And the sky was all violet  
I want to give the violent more violets  
And I'm the one with no soul  
One above and one below  
Might last a day, yeah  
Mine is forever  
Might last a day, yeah  
Mine is forever  
When they get what they want, and they never want it again  
And they get what they want, and they never want it again  
Go on, take everything, take everything, I want you to  
Go on, take everything, take everything, I dare you to  
I told you from the start just how this would end  
When I get what I want, then I never want it again  
Go on take everything, take everything, I want you to  
Go on take everything, take everything....
