

# In the Now

Barry Gibb

You're the epitome of innocence  
You're only my destination  
And all I think about yesterday  
I need you here in the now  
In my heart  
In my soul  
In the now  
In my heart  
In my soul  
In the now  
I said it baby  
All my life was so wrapped up in you  
And I could only wish  
That you could feel the way I do  
I found a love  
And I can't get enough  
To have you suddenly  
Standing right in front of me  
I may be lonely but I'm not alone  
And we don't need conversation  
I'm only happy when I hear you moan  
You speak the pleasure within  
In my heart  
In my soul  
In the now  
In my heart  
In my soul  
In the now  
We claimed last summer darlin'  
You began to slowly bend my way  
Love is like it, we got no shame  
And time is standing still  
All my life  
I never felt this way before  
Learnin' what I never  
You were what I'm searching for  
In my heart  
In my soul  
In the now  
In my heart  
In my soul  
In the now

This is the story of what might have been  
It's just my imagination  
I made it up instead of givin' in  
Ahh, living in the now  
In the now  
I may be crazy but I'm not alone (in the now)  
I call it intoxication  
They say tomorrow is another day (in the now)  
I'm only here in the now  
In my heart  
In my soul  
In the now  
In my heart  
In my soul  
In the now  
I may be lonely but I'm not alone (in the now)  
And we don't need conversation  
I'm only happy when I hear you moan (in the now)  
You speak the pleasure within  
You're the epitome of innocence (in the now)  
You're only my destination  
And all I think about yesterday (in the now)  
I need you here in the now  
I may be lonely but I'm not alone (in the now)  
And we don't need conversation  
I'm only happy when I hear you moan (in the now)  
You speak the pleasure within  
You're the epitome of innocence (in the now)  
You're only my destination.
