

Bang That

Disclosure

Now let me see you bang it
I like it when you bang it
Now let me see you shake it
I wanna see you shake it
Now let me see you freak it
I love it when you freak it
Now let me see you work it
I wanna see you twerk it
Now let me see you bang it
I like it when you bang it
Now let me see you shake it
I wanna see you shake it
Now let me see you freak it
I love it when you freak it
Now let me see you work it
I wanna see you twerk it

Now let me see you
Now let me see you
Now let me see you
Now let me see you
Now let me see you

Bang that till you pass out
Shake that till you pass out
Freak that till you pass out
Work that till you pass out
Bang that till you pass out
Shake that till you pass out
Freak that till you pass out
Work that till you pass out
Bang that till you pass out
Shake that till you pass out
Freak that till you pass out
Work that till you pass out
Bang that till you pass out
Shake that till you pass out
Freak that till you pass out
Work that till you pass out

Bang that till you pass out
Shake that till you pass out
Freak that till you pass out
Work that till you pass out
Bang that till you pass out
Shake that till you pass out
Freak that till you pass out
Work that till you pass out
Bang that till you pass out
Shake that till you pass out
Freak that till you pass out
Work that till you pass out
