

Till I Find You

Austin Mahone

[Verse 1]

Girl, I woke up with you on my mind
I found your picture on my phone
I don't know what you did to me that night
I'm in the twilight zone

[Pre-Chorus]

Tell me why I'm tripping
Still thinking 'bout the way you moved
Tell me, am I crazy?
Will I ever, ever find you?

[Chorus]

Every minute I'm without you, I lose
'Cause an angel touched my heart and took my cool
Every second burns like fire, I'm doomed
What I go through
Till I find you

[Verse 2]

Gone
No trace, I'm going Sherlock Holmes
Cinderella when the clocks go struck
It gets so hard to breathe on my own
Girl I'm running out of time

[Pre-Chorus]

Tell me why I'm tripping
Still thinking 'bout the way you moved
Tell me, am I crazy?
Will I ever, ever find you?

[Chorus]

Every minute I'm without you, I lose
'Cause an angel touched my heart and took my cool
Every second burns like fire, I'm doomed
What I go through
Till I find you

[Bridge]

Wonder where, what you're doing girl
Baby, I'm 'bout to lose it
I've been running around the world
I won't stop till I find you
Wonder where, what you're doing girl
Baby, I'm 'bout to lose it
I've been running around the world
I won't stop till I find you

[Pre-Chorus]

Tell me why I'm tripping
(Tell me why I'm tripping, girl)
Tell me, am I crazy?
(Oh)
Find you

[Chorus]

Every minute I'm without you, I lose
'Cause an angel touched my heart and took my cool
Every second burns like fire, I'm doomed
What I go through
Till I find you
Every minute I'm without you, I lose
'Cause an angel touched my heart and took my cool
Every second burns like fire, I'm doomed
What I go through
Till I find you
