

Follow the Sun

Xavier Rudd

Follow, follow the sun
and which way the wind blows
when this day is done. Breath, breath in the air.
Set your intentions.
Dream with care. Tomorrow is a new day for everyone,
a brand new moon, brand new sun. So follow, follow the sun,
the direction of the bird,
the direction of love. Breath, breath in the air,
cherish this moment, cherish this breath. Tomorrow is a new day for everyone,
brand new moon, brand new sun.
When you feel love coming down on you,
like a heavy wave.
When you feel this crazy society,
headin' to the strand.
Take a straw to the nearest waters
and remember your place.
Many moons have risen and fallen long, long before you've come.
So which way is the wind blowin',
and what does your heart say?
So follow, follow the sun,
and which way the wind blows
when this day is done...
