

Enough to Believe

Bob Moses

Wondering where to begin
Loneliness rises again
All I know is a light falling down
Oh, I've nowhere to turn
Heaven is a hole in my hand

Hoping I can make it to the end
I wasn't looking for a phantom or a friend
Trying to find an answer in the wind
I keep feeling like I'm rushing to the end
Looking for a good place to begin
But will I ever know, ever know?

All I want is enough to believe
But they said that there is no guarantee
All I know isn't here for me now
I look up at the stars
Heaven is a hole in my hand

Hoping I can make it to the end
Feeling like I'm living in my head
I wasn't looking for a phantom or a friend
I keep feeling like I'm rushing to the end
Trying to find a good place to begin
I keep hoping for an answer in the wind
I wasn't looking for a phantom or a friend
But will I ever know, ever know?

Trying to find a good place to begin
But will I ever know, ever know?
