

Influence

Johnnie Mikel

[Verse 1]

I'm a hot mess, lose control, letting go tonight
(Under your, under your)
I'm so possessed, beat a drum in my head tonight
(Under your, under your)

[Pre-Chorus]

Whoa-oh
And I know what you want, you're afraid I'm lonely
Whoa-oh
I take you and a shot, but I drink you slowly
Whoa-oh
Another round 'til I'm gone and I lose my body
Baby, I'm a zombie

[Chorus]

And I'm under your influence
(Under your, under your)
Under your influence
(Under your, under your)
Under your influence
(Under your, under your)
And I can't get enough of it
'Cause I'm under your influence

[Verse 2]

I'm so wasted, out of breathe, think I lost my mind
(Under your, under your)
You're a poison, cyanide, but you taste like wine
Like wine

[Pre-Chorus]

Whoa-oh
And I know what you want, you're afraid I'm lonely
Whoa-oh
I take you and a shot, but I drink you slowly
Whoa-oh
Another round 'til I'm gone and I lose my body
Baby, I'm a zombie

[Chorus]

And I'm under your influence
(Under your, under your)
Under your influence
(Under your, under your)
Under your influence
(Under your, under your)
And I can't get enough of it
'Cause I'm under your influence

[Bridge]

So don't be scared, be aware of your influence
Your influence
I'm so impaired, be aware of your influence
Your influence

[Pre-Chorus]

Whoa-oh
And I know what you want, you're afraid I'm lonely
Whoa-oh
I take you and a shot, but I drink you slowly
Whoa-oh
Another round 'til I'm gone and I lose my body

[Chorus]

Under your influence
(Under your, under your)
Under your influence
(Under your, under your)
Under your influence
(Under your, under your)
And I can't get enough of it
'Cause I'm under your influence
(Under your, under your)
Under your, under your
