

Crick In My Neck

Cowboy Troy

Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neckMmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neckWell we enter the facility, the place is jumpin'
Everything is crowded, the music is bumpin'
We make a lap with drink in hand, try to walk around but we're in demand
About then sweetie went to the ladies room
And that's when the DJ played the boom, boom, boom, bang-biggity-bang
I looked over my shoulder and I was like "Dang"
A chick was dancin' on the bar so I double checked
Sweetie came back, something wrong with your head? I said
Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neckMmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neckLike the fellas on the beach in the summertime
Checkin' out the girls walkin' up and down the coastline
Splashin' in the surf in their bikinis
Others tan on a blanket while they sip Martinis
All winter long fellas did those crunches
'Cause girls are like bananas, man, they roll in bunches
Lookin' for fun but didn't keep it in check
What happened to you boy? I got a crick in my neck
Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neckMmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neckMmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neckYou're hanging on my words like a life preserver
My rhyme is your table and I'll be your server
Paid attention to the song like a record exec
Bobbed your head up and down and got a crick in your neckMmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neck

Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neckMmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neck
Mmm hmm! Got a crick in my neck
