

# Nothing Like Us

Justin Bieber

[Verse 1]

Lately I've been thinking, thinking 'bout what we had  
I know it was hard, it was all that we knew, yeah  
Have you been drinking to take all the pain away?  
I wish that I could give you what you deserve

[Pre-Chorus]

Cause nothing can ever, ever replace you  
Nothing can make me feel like you do  
You know there's no one, I can relate to  
And know we won't find a love that's so true

[Chorus]

There's nothing like us, there's nothing like you and me  
Together through the storm  
There's nothing like us, there's nothing like you and me  
Together

[Verse 2]

I gave you everything, baby, everything I had to give  
Girl, why would you push me away? Yeah  
Lost in confusion, like an illusion  
You know I'm used to making your day

[Pre-Chorus]

But that is the past now, we didn't last now  
I guess that this is meant to be  
Tell me was it worth it? We were so perfect  
But baby I just want you to see

[Chorus]

There's nothing like us, there's nothing like you and me  
Together through the storm  
There's nothing like us, there's nothing like you and me  
Together  
There's nothing like us, there's nothing like you and me  
Together through the storm  
There's nothing like us, there's nothing like you and me

Together
