

Gave You Everything

The Interrupters

One, two, three, four! It's an emergency, call the police
You left me and abandoned the lease
And I don't know why you're gone
I walk these floors like a country song
Oh, where you been? I called all your friends
They were hush hush on what's happening
And I called your momma too,
She never could get through to you I don't care if you love me,
don't care if you don't
I don't really care anymore
I gave you everything
I don't care if you come,
don't care if you go
I don't really care anymore
I gave you everything
I gave you everything
My bags are packed, now you want me back
Now you are the one with the panic attack
The pendulum has swung
Now I don't need you, don't need anyone
Oh, ring, ring, ring, it's a terrible thing
Suffering, you won't stop calling
You're beggin' and you plead
But it's too late for apologies I don't care if you love me,
don't care if you don't
I don't really care anymore
I gave you everything
I don't care if you come,
don't care if you go
I don't really care anymore
I gave you everything
I gave you everything
I don't care if you love me,
don't care if you don't
I don't really care anymore
I gave you everything
I don't care if you come,
don't care if you go
I don't really care anymore
I gave you everything
I gave you everything
I gave you everything

I gave you everything
