

Make Me Feel (feat. Rick Ross & Ari Lennox)

Skip Marley

All the lessons
All the blessings
All the beauty that you are
Satisfaction is my reaction
Every time I'm near your heart
Can you feel it?
Know you see it
So many people in pain
Thank Jah for the love we share
Even though
It's rough out there
No one knows, seems no one cares
You give me hope
When none is found
Life is short, time's running out
Let's make this a good life
Yeah, even through the bad times
Nothing can kill this vibe
As long as I feel the way you make me feel
All the touching
All the loving
Overflowing (in too deep)
Realization, through the madness
Body aching (belong to me)
Can you feel it?
You can see
So many people in pain
Thank Jah for the love we share
Cuz even though
It's rough out there
No one knows, seems no one cares
You give me hope
When none is found
Life is short, time's running out
Let's make this a good life
Yeah, even through the bad times
Nothing can kill this vibe
As long as I feel the way you make me feel
You give me hope
When none is found
Life is short, time's running out
Let's make this a good life
Yeah, even through the bad times

Nothing can kill this vibe
As long as I feel the way you make me feel So free, so free, so free
