

# My Oh My (Remix)

Camila Cabello

[Chorus: Camila Cabello]

They say he likes a good time (My oh my)  
He comes alive at midnight (Every night)  
My mama doesn't trust him (My oh my)  
He's only here for one thing, but (So am I)

[Verse 1: Camila Cabello]

Yeah, a little bit older, a black leather jacket  
A bad reputation, insatiable habits  
He was onto me, one look and I couldn't breathe, yeah  
I said, if he kissed me, I might let it happen (Oh)

[Pre-Chorus: Camila Cabello]

I swear on my life that I've been a good girl (Oh)  
Tonight, I don't wanna be her

[Chorus: Camila Cabello & DaBaby]

They say he likes a good time (My oh my)  
He comes alive at midnight (Every night)  
My mama doesn't trust him (My oh my)  
He's only here for one thing, but (Let's go, so am I)

[Verse 2: DaBaby & Camila Cabello]

Look, I'm the type to make her turn on her daddy (Oh yeah)  
DaBaby make her forget what she learned from her daddy  
I don't be tripping on lil' shawty, I let her do whatever she please  
I don't be kissing on lil' shawty, she don't be kissing on me either  
She came with you, then left with me  
I went up a point, let's call it even (Yeah, yeah)  
Don't like the car she in, gon' end up buyin' her a new Bimmer (Let's go)  
That girl know what she want, she make me take it off when she see me (Let's go)  
She say I make her wet whenever my face pop up on TV  
I had to say, "No disrespect, gotta do it safe or you can keep it"  
Pop star, I'm fresh up out the trap and I'm going Bieber  
She know I'm a call away, she can drop a pin and I'd come meet her  
Stand next to me, you gon' end up catchin' a fever (Yeah, yeah)  
I'm hot

[Pre-Chorus: Camila Cabello]

I swear on my life that I've been a good girl (Good girl, good girl)

Tonight, I don't wanna be her

[Chorus: Camila Cabello]

They say he likes a good time (My oh my)  
He comes alive at midnight (Every night)  
(He comes alive, oh every night)  
My mama doesn't trust him (My oh my)  
He's only here for one thing, but (So am I)

[Verse 3: Gunna & Camila Cabello]

I don't wanna make assumptions (Mm)  
But I can tell you're up to something (Oh)  
She wanna see me clean, no quarantine (Clean)  
I'm only here for one thing (One thing)  
Prolly should have gave her a warning (Warning)  
We party hard to the next morning (Ah)  
We livin' in the Hills, see the sunbeam (Beam)  
I found out what it is, she in love with me  
We need us sunscreen, eyes on me  
We still on our feet, can't touch this (Oh, my, my, my, my)  
Ain't no slowin' down, we above speed (My, my oh my, my)  
And you know a good girl gotta love me (Ooh)

[Chorus: Camila Cabello]

They say he likes a good time (My oh my)  
He comes alive at midnight (Every night)  
My mama doesn't trust him (My oh my)  
He's only here for one thing, but (So am I)
