Came Back Haunted

Nine Inch Nails

HauntedThe throat is deep and the mouth is wide Saw some things on the other side Made me promise to never tell But you know me I can't help myself, noNow I got something you have to see They put something inside of me The smile is red and its eyes are black I don't think I'll be coming backI don't believe it I had to see it I came back haunted I came back hauntedI said goodbye but I --I had to try I came back haunted Everywhere now reminding me I am not who I used to be I'm afraid this has just begun Consequences for what I've done, yeahI don't believe it I had to see it I came back -- I came back hauntedI said goodbye but I --I had to try I came back -- I came back haunted I came back hauntedI don't believe it I had to see it I came back -- I came back hauntedI said goodbye but I --I had to try I came back -- I came back haunted They tried to tell me but I --I couldn't stop myself and I --I came back -- I came back hauntedJust can't Stop Just can't Stop

Just can't
