Hot Cop lyrics

Music,

music is my thing

I like the sound of music

all in my brains

Pleasure

Pleasure is my game

Pleasure will lead

To my fortune and fame, all right

Wacth him

Wacth me coast through the floor

Checking out every star

Who comes through the door, yeah

Mellow

Mellow as I can be

But baby I'll burn you  
if you're dancing with me

### REFRÃO

Cause' he's a hot cop  
Hottest cop on the disco scene

People say that i'm a dancing machine

Cause he's a hot cop  
Hottest cop that you'll ever see

I bet you never meet a cop  
As funky as me

Party, boogie, boogie  
boogie, boogie, get on down

Party, boogie, boogie  
boogie, boogie, get on down

Party, boogie, boogie

boogie, boogie, get on down

Get up

Get up off your seats

come on and start dancing  
to the funky jumping, all right

Party

Come and party with me

Come on everybody

Let your spirits be free

Get down

You won't hear me scream

Come on blow your whistles

Play your hot tambourine

Don't stop

Don't stop doing your thing

Don't stop, Don't stop

You're making me so hot

Cause' he's a hot cop
