

World Falls

Indigo Girls

i'm coming home with a stone
strapped onto my back
i'm coming home with a burning hope
turning all my blues to black
i'm looking for a sacred hand
to carve into my stone
a ghost of comfort
angels breath
to keep this life inside my chest
this world falls on me
hopes of immortality
everywhere i turn
all the beauty just keeps shaking me now i woke up in the middle of a dream
scared the world was too much for me
sejarez said, "don't let go
just plant the seeds and watch them grow"
i've slept in rainy canyon lands
cold drenched to my skin
i always wake to find a face
to calm these troubled landsah this world falls on me
with dreams of immortality
everywhere i turn
all the beauty just keeps shaking me
now i'm running
to the end of the earth
and i'm swimming
to the edge of the sea
and i'm laughing
i'm under a starry sky
this world was meant for me
don't bury me
carry me i wish i was a nomad
an indian or a saint
the edge of death would disappear
leave me nothing left to taint
i wish i was a nomad
an indian or a saint
give me walking shoes
feathered arms
and a key to heaven's gateah this world falls on me
dreams of immortality
everywhere i turn

all the beauty just keeps shaking me i'm running
(this world falls on me)
to the end of the earth
(with hopes of immortality)
i'm swimming
(everywhere i turn)
to the edge of the sea
(the beauty keeps on shaking me)
and i'm laughing
(this world falls on me)
cause i'm under a starry sky
(hopes of immortality)
this world was meant for me
(everywhere i turn)
i've got hopes of immortality
