

# A Penny for Your Thoughts

Tavares

[Intro]

A penny for you thoughts  
I've got to know where I stand  
I just got to know where I am with you

[Chorus]

So here's penny for your thoughts, a nickel for a kiss  
A dime if you tell me that you love me  
Penny for your thoughts, a nickel for a kiss  
A dime if you tell me that you love me

[Verse 1]

Walkin' holdin' hands, you say you're mine all mine  
Then soon another face steals your eyes away  
It's just a guessing game, and I can't help feelin' used  
Love shouldn't be so darn confused

[Chorus]

So here's penny for your thoughts, a nickel for a kiss  
A dime if you tell me that you love me  
Penny for your thoughts, a nickel for a kiss  
A dime if you tell me that you love me

[Verse 2]

People love to talk, they say you're usin' me  
Though face to face you swear I'm the only one  
If I had a crystal ball I would gaze into your mind  
See what you were thinkin', if my ship was sinkin'  
If you're leavin' me behind

[Chorus]

So here's penny for your thoughts, a nickel for a kiss  
A dime if you tell me that you love me  
Penny for your thoughts, a nickel for a kiss  
A dime if you tell me that you love me

[Post-Chorus]

Girl, it should be so darn easy to do  
If you love me like I love you

[Verse 3]

Girl, if I had a crystal ball (A crystal ball)  
I would gaze into your mind  
See what you were thinkin', if my ship was sinkin'  
If you're leavin' me behind

[Chorus]

So here's penny for your thoughts, a nickel for a kiss  
A dime if you tell me that you love me  
Penny for your thoughts, a nickel for a kiss  
A dime if you tell me that you love me

[Post-Chorus]

Girl, it should be so darn easy to do  
If you love me like I love you

[Chorus]

So here's penny for your thoughts, a nickel for a kiss (Hey, baby)  
A dime if you tell me that you love me (You tell me you love me)  
Penny for your thoughts, a nickel for a kiss  
A dime if you tell me that you love me  
So here's penny for your thoughts, a nickel for a kiss  
(Ooh, your thoughts, baby)  
A dime if you tell me that you love me  
Penny for your thoughts, a nickel for a kiss  
(Ooh, a kiss, baby)  
A dime if you tell me that you love me  
Penny for your thoughts (Only me, only me), a nickel for a kiss  
(Just me) Yeah, yeah, yeah (Oh, yeah, yeah)
