

Small Bump (Live From Wembley Stadium)

[Ed Sheeran](#)

You're just a small bump unborn
In four months you're brought to life
Might be left with my hair
But you'll have your mother's eyes I'll hold your body in my hands
Be as gentle as I can
But for now you're a scan on my unmade plans
A small bump, in four months you're brought to life And I'll whisper quietly
And give you nothing but truth
If you're not inside me
I'll put my future in you
You are my one, and only
And you can wrap your fingers around my thumb and hold me tight
You are my one, and only
You can wrap your fingers around my thumb and hold me tight
And you'll be alright You're just a small bump
I know you'll grow into your skin
With a smile like hers
And a dimple beneath the chin Fingernails the size of a half grain of rice
And eyelids closed to be soon opened wide
A small bump, in four months you'll open your eyes And I'll hold you tightly
And tell you nothing but truth
If you're not inside me
I'll put my future in you
You are my one, and only
And you can wrap your fingers around my thumb and hold me tight
Oh you are my one, and only
You can wrap your fingers around my thumb and hold me tight
And you'll be alright Then you can lie with me, with your tiny feet
When you're half asleep, I'll leave you be
Right in front of me for a couple weeks
So I can keep you safe 'Cause you are my one, and only
You can wrap your fingers around my thumb and hold me tight
Oh you are my one, and only
You can wrap your fingers around my thumb and hold me tight
And you'll be alright 'Cause you were just a small bump unborn, for four months then torn from
life
Maybe you were needed up there but we're still unaware as why
