

# I Took a Pill in Ibiza

Mike Posner

I took a pill in Ibiza  
To show Avicii I was cool  
And when I finally got sober, felt 10 years older  
But fuck it, it was something to do I'm living out in LA  
I drive a sports car just to prove  
I'm a real big baller 'cause I made a million dollars  
And I spend it on girls and shoes But you don't wanna be high like me  
Never really knowing why like me  
You don't ever wanna step off that roller coaster and be all alone You don't wanna ride the bus  
like this  
Never knowing who to trust like this  
You don't wanna be stuck up on that stage singing  
Stuck up on that stage singing  
All I know are sad songs, sad songs  
Darling, all I know are sad songs, sad songs I'm just a singer who already blew his shot  
I get along with old timers  
'Cause my name's a reminder of a pop song people forgot  
And I can't keep a girl, no 'Cause as soon as the sun comes up  
I cut 'em all loose and work's my excuse  
But the truth is I can't open up But you don't wanna be high like me  
Never really knowing why like me  
You don't ever wanna step off that roller coaster and be all alone You don't wanna ride the bus  
like this  
Never knowing who to trust like this  
You don't wanna be stuck up on that stage singing  
Stuck up on that stage singing  
All I know are sad songs, sad songs  
Darling, all I know are sad songs, sad songs I took a plane to my hometown  
I brought my pride and my guitar  
All my friends are all gone, but there's manicured lawns  
And the people still think I'm a star I walked around downtown  
I met some fans on Lafayette  
They said: "tell us how to make it 'cause we're getting real impatient"  
So I looked 'em in the eye and said But you don't wanna be high like me  
Never really knowing why like me  
You don't ever wanna step off that roller coaster and be all alone You don't wanna ride the bus  
like this  
Never knowing who to trust like this  
You don't wanna be stuck up on that stage singing  
Stuck up on that stage singing All that I know are sad songs, sad songs  
Darling, all that I know are sad songs, sad songs
