

# Call Me Crazy

Sevyn Streeter

She could be the baddest ever  
But you belong to me yeah, me yeah, me yeah  
And I ain't with that sharing shit  
I don't want to know how she makes you feel  
Keep all that away from me  
Far way from me, far, from me.  
Whatever whatever whatever it is doesn't matter to me baby, I'm yours You're still my baby, to  
the core  
Call me crazy crazy crazy crazy I'm yours  
I ain't going nowhere, you're my life support  
Call me crazy crazy crazy crazy.  
Call me crazy crazy crazy crazy.  
Lock me up in your arms forever  
And never set me free, no, free, throw away the key  
Damn right I'll be on it that obbsessive shit  
Take my love and hide it from me  
I mean, 'cause it ain't like ima be naming, even all friends said I'm losing it and I need to get a  
grip cause he's a mm-hhm...  
Whatever whatever whatever it is It doesn't matter to me baby, I'm yours  
You're still my baby, to the core  
Call me crazy crazy crazy crazy I'm yours  
I ain't going nowhere, you're my life support  
Call me crazy crazy crazy crazy.  
Crazy crazy crazy I'm crazy I'm crazy I'm Call me crazy crazy crazy crazy  
Only for you. For you  
Throw it again  
Throw it again  
Whatever whatever whatever it is it doesn't matter to me baby, I'm yours  
You're still my baby, to the core  
Call me crazy crazy crazy crazy I'm yours  
I ain't going nowhere, you're my life support  
Call me crazy crazy crazy crazy  
Call me crazy crazy crazy crazy  
Call me crazy crazy crazy crazy  
Call me crazy crazy crazy crazy
