## **Comfortably Numb**

## **Roger Waters**

Hello Is there anybody in there? Just nod if you can hear me Is there anyone at home? Come on, now I hear you're feeling down Well, I can ease the pain And get you on your feet again Relax I need some information first Just the basic facts Can you show me where it hurts? There is no pain, you are receding A distant ship's smoke on the horizon You are only coming through in waves Your lips move but I can't hear what you're sayin' When I was a child I had a fever My hands felt just like two balloons Now I've got that feeling once again I can't explain, you would not understand This is not how I am I have become comfortably numb I have become comfortably numbOk Just a little pinprick There'll be no more -- Aaaaaahhhhh! But you may feel a little sick Can you stand up? I do believe it's working, Good That'll keep you going through the show Come on it's time to go There is no pain, you are receding A distant ship's smoke on the horizon You are only coming through in waves Your lips move but I can't hear what you're sayin' When I was a child I caught a fleeting glimpse Out of the corner of my eye I turned to look but it was gone I cannot put my finger on it now The child is grown, the dream is gone I have become comfortably numb
