

# Lips Are Movin

Meghan Trainor

If your lips are moving, if your lips are moving  
If your lips are moving then you're ly-ly-lying, baby  
If your lips are moving, if your lips are moving  
If your lips are moving then you're ly-ly-lying, baby Boy, look at me in my face  
Tell me that you're not just about this bass  
You really think I could be replaced?!

Nah, I come from outer space  
And I'm a classy girl, I'ma hold it up  
You're full of something, but it ain't love  
What we got, straight overdue  
Go find somebody new  
You can buy me diamond earrings  
and deny-ny-ny, ny-ny-ny, deny-ny  
but I smell her on your collar so goodbye-bye-bye, bye-bye-bye  
I know you lie 'cause your lips are moving  
Tell me, do you think I'm dumb?  
I might be young, but I ain't stupid  
Talking 'round in circles with your tongue  
I gave you bass, you gave me sweet talk  
Saying now I'm your number one  
But I know you lie 'cause your lips are moving  
Baby, don't you know, I'm done! If your lips are moving, if your lips are moving  
If your lips are moving then you're ly-ly-lying, baby  
If your lips are moving, if your lips are moving  
If your lips are moving then you're ly-ly-lying, baby Hey baby don't you bring them tears  
'Cause it's too late, too late baby oooh uh  
You only love me when you're here  
You're so two-faced, two-faced babe  
You can buy me diamond earrings  
and deny-ny-ny, ny-ny-ny, deny-ny (yes, you can baby)  
but I smell her on your collar so goodbye-bye-bye, bye-bye-bye  
I know you lie 'cause your lips are moving  
Tell me, do you think I'm dumb?  
I might be young, but I ain't stupid  
Talking 'round in circles with your tongue  
I gave you bass, you gave me sweet talk  
Saying now I'm your number one  
But I know you lie 'cause your lips are moving  
Baby, don't you know, I'm done! Come on, say!  
If your lips are moving, if your lips are moving  
If your lips are moving then you're ly-ly-lying, baby  
If your lips are moving, if your lips are moving

If your lips are moving then you're ly-ly-lying, baby  
(Alright now, I wanna hear y'all singing with me) I know you lie 'cause your lips are moving  
Tell me, do you think I'm dumb?  
I might be young (young!), but I ain't stupid (stupid!)  
Talking 'round in circles with your tongue  
I gave you bass, you gave me sweet talk  
Saying now I'm your number one  
But I know you lie 'cause your lips are moving  
Baby, don't you know, I'm done!
