

Get Ugly

Jason Derulo

Girl, ladies, let your hurr down
Let your hurr down
We's about to get down Oh my, oh my, oh my god
This girl straight and this girl not
Tippy off that peach Ciroc
Like la la la
Ching-a-lang-lang, ching-a-ling-a-lang-lang
Jeans so tight I could see loose change
Do your thang, thang, girl Do that thang like la la la
Tell them pretty faced girls tryna grabs each other
And them undercover freaks who ain't nun' but trouble
Baby, I'mma tell you some' only cause I love ya
People all around the world sexy motherfuckers
Get ugly
Yeah, get ugly, baby
Get ugly
You're too sexy to me
Sexy to me
You're too sexy to me Sexy to me
So sexy
Damn, that's ugly
Bruh, I can't, I can't even lie
I'm about to be that guy
Someone else gon' have to try me
La la la Bang-a-rang-rang, bang-a-ring-a-rang-rang
Bass in the trunk, vibrate that thang
Do your thang, thang, girl
Do that thang like la la la
Tell them pretty faced girls tryna grabs each other
And them undercover freaks who ain't nun' but trouble
Baby, I'mma tell you some' only cause I love ya
People all around the world sexy motherfuckers
Get ugly
Get ugly, baby, woo hoo
And everybody say la la la Get ugly
You're too sexy to me
Sexy to me
You're too sexy to me
Sexy to me
So sexy Damn, that's ugly
Ay, Ricky
This beat give me that ugly face, man

Everybody lose control
Let's get ugly, dysfunctional
Everybody lose control
Let's get ugly, dysfunctional
Tell them pretty faced girls tryna grab each other
And them undercover freaks who ain't nuns but trouble
Baby, I'mma tell you some' only cause I love ya
People all around the world sexy motherfuckers
Light them up then pass that, pass that
La la la
Everybody lose control
Let's get ugly, dysfunctional
Get ugly
You know what I'm talking about
You're too sexy to me
Sexy to me
You're too sexy to me
Sexy to me
So sexy
Damn, that's ugly.
