

Dissolved Girl

Massive Attack

[Verse 1]

Shame, such a shame
I think I kinda lost myself again
Day, yesterday
Really should be leaving, but I stay

[Verse 2]

Say, say my name
I need a little love to ease the pain
I need a little love to ease the pain
It's easy to remember when it came

[Chorus]

'Cause it feels like I've been
I've been here before
You're not my savior
But I still don't go
Feels like something
That I've done before
I could fake it
But I'd still want more

[Verse 3]

Fade, made to fade
Passion's overrated anyway

[Verse 2]

Say, say my name
I need a little love to ease the pain
I need a little love to ease the pain
It's easy to remember when it came

[Chorus]

'Cause it feels like I've been
I've been here before
You are not my savior
But I still don't go, oh
I feel like something
That I've done before
I could fake it

But I'd still want more, oh
