[Verse 1]

Mama sure made sure
I was prepared
For just about any kind of line
That the guys would try
Yeah, I sure learned a lot
But somehow she forgot
All about the guys
With the tender eyes
Who could steal your mind

[Chorus]

Mama never told me
About the quiet man
Mama never warned me, no
Look out for the quiet man
So shy, so bashful, it's a part of the Master plan
Mama never told me
Look out for the quiet man
Mama never warned me, no
Look out for the quiet man

Sing along now

Shoo be do be do be do bom bom
Shoo be do be do be do bom bom
Shoo be do bom bom
Shoo be do bom
Shoo be do
Shoo be do
Shoo be do
Shoo be do be do

Shoo be do be do be do bom bom
Shoo be do be do be do bom bom
Shoo be do bom bom
Shoo be do bom
Shoo be do
Shoo be do
Shoo be do

Ooh-ooh yeah
My mama never told me

[Verse 2]
Mama did her best now
I do believe
But she forgot to tell me
That still water runs deep
Now I've fallen in
Well, so far so good
Now I ask myself
Could it be somehow
I misunderstood?

[Chorus]
'Cause mama never told me
About the quiet man
Mama never warned me, no
Look out for the quiet man
So shy, so bashful, just a part of the Master plan
Mama never told me
Look out for the quiet man
Mama couldn't help herself
'Cause my daddy was a quiet man!

[Outro]
Sing along now
Shoo be do be do be do bom bom
Shoo be do be do be do bom bom
Shoo be do bom bom
Shoo be do bom
Shoo be do

Shoo be do
Shoo be do
Shoo be do be do

Shoo be do be do be do bom bom
Shoo be do be do be do bom bom
Shoo be do bom bom
Shoo be do bom
Shoo be do
Shoo be do
Shoo be do
