

Like We Grown

Trevor Jackson

(spoken) Aye, I Know I'm Young But I Promise You...

Imma Love You Like We Grown Tonight

Imma Pick You Up And We Gone Ride Like We Grown Tonight

...With The Roof Let Back

Hands Up Girl We On

Yeah. Your Body Given Me The Vibe I'm Speakin'

Oh Yeah I Wanna Tear The Night Up So I Start It Off

...

Take You Where You Ain't Gone

Do Something Crazy You've Never Done Before

I Start It Off

We Ain't Gotta Go Home

Lets Stay Out All Night

Imma Love You Like We Grown Tonight

Imma Pick You Up And We Gone Ride Like We Grown Tonight...

With The Roof Let Back

Hands Up Girl We On

...

We Can Do This All Night Just Like We Grown

Yeah. I Know You Lovin' The View Of The Valley Oh Yeah. You See Nothin' But Stars From
Here

I Know You Like Every Moment, Right

I Know You Like Kissin' Under The Moon Light

I Know You Like Doin' Wrong To Feel Right

So Lets Stay Out All Night

Imma Love You Like We Grown Tonight

Imma Pick You Up And We Gone Ride Like We Grown Tonight

...

With The Roof Let Back

Hands Up Girl We On

...

And We Can Do This All Night

Just Like We Grown It's All Right

You Can Trust Me

I just Wanna Love You Long Time

Baby Take My Hand

Let Me Know If This Feels Right

Ain't No Stress, Baby No Pressure

On You Tonight

Imma Love You Like We Grown Tonight

Imma Pick You Up And We Gone Ride Like We Grown Tonight

...

With The Roof Let Back
Hands Up Girl We On
...
And We Can Do This All Night
Just Like We Grown
...
