

Breathe In Breathe Out (feat. Ludacris)

Kanye West

Yeah, breathe in, breathe out
If ya iced up, pull ya sleeves out
Push a big truck, pull ya keys out
Girls go wild and pull ya deez out Breathe in, breathe out
Let them hoes fight, pull her weave out
If a nigga act up, pull a Desert E's out
When I pull the piece out niggas like, "Peace out" Golly, more of that bullshit ice rap
I got to apologize to Mos and Kweli
But is it cool to rap about gold
If I told the world I copped it from Ghana and Mali? First nigga with a Benz and a backpack
Ice chain, Cardi lens and a knapsack
Always said if I rapped, I'd say somethin' significant
But now I'm rappin' 'bout money, hoes, and rims again
And it's still about the Benjamins
Big faced hundreds and whatever other synonyms
Strippers named Cinnamon, more chips than Pentium
What'cha gon' buy next? Whatever new trend it is I'm tryin' to spend my stacks
And I'm so broke I look back like
"Damn, was I on crack?" I mean twelve platinum chains, was I on that?
What the hell was wrong with me dog?
Sing along with me y'all Yeah, breathe in, breathe out
If ya iced up, pull ya sleeves out
Push a big truck, pull ya keys out
Girls go wild and pull ya deez out Breathe in, breathe out
Let them hoes fight, pull her weave out
If a nigga act up, pull a Desert E's out
When I pull the piece out niggas like, "Peace out"
Now even though I went to college
And dropped out of school quick
I always had a Ph.D, a pretty huge dick Ladies tired of gettin' ripped off by guys like this
And givin' head is like, "Oh well
The shoes and the toothpick" Well, I'm in the club for a limited time
Act now and get some action for 3.99
Later on I might charge for menage
Heard her man was the boss of the floss
But she still want to toss me the drawers And it ain't gon' cost me because she my caddy
'Cuz she grabbed my golf balls in the club
And I'm still actin' calm than a mug
She asked, "Can you drive me
And the hunnies to where my Altima was?" While we drive she tellin' me 'bout problems with
her man
Baby I fully understand, let me help you with a plan

While he trickin' off, don't get no rich nigga
Give me some head, that'll really piss him off
Yeah, breathe in, breathe out
If ya iced up, pull ya sleeves out
Push a big truck, pull ya keys out
Girls go wild and pull ya deez out
Breathe in, breathe out
Let them hoes fight, pull her weave out
If a nigga act up, pull a Desert E's out
When I pull a piece out niggas like, "Peace out"
I blow past low class niggas with no cash
In the fo' dash six, bitch you can go ask
So when I go fast popo just laugh
Right until I run out of gas or 'til I go crash
Whatever comes first I'm prepared for the worst
Whatever comes second I'll be there with my weapon
Pullin' up in the Lexuses, one on both hand
So I guess them G'Ses was ambidextrous
Coulda sworn her breasteses was sendin' me messages
K, I need a free hand mammogram
I got weed, drink and a handcam
All of which is legal in Amsterdam
So say my name like Candyman
And I'ma come and fix you up like the handyman
But if you don't need a fix, girl you gotta leave
You can't take that all at one time ya gotta breathe
Yeah, breathe in, breathe out
If ya iced up, pull ya sleeves out
Push a big truck, pull ya keys out
Girls go wild and pull ya deez out
Breathe in, breathe out
Let them hoes fight, pull her weave out
If a nigga act up, pull a Desert E's out
When I pull a piece out niggas like, "Peace out"
Can you say, Chi city? Yeah
Can you say, Chi city? Yeah
Can you say, Chi city? Aha
Can you say, Chi city? Yeah
Can you say, Chi city?
Can you say, Chi city?
Chi city, Chi city
