

Stop Traffic (Feat. Pitbull)

Trina

Green means go, yellow means slow
Red means stop, now drop, now roll
Girl, you got a ass stopping traffic like a red
Stopping traffic like a red Green means go, yellow means slow
Red means stop, now drop to the flo
Girl, you got a ass stopping traffic like a red
Stopping traffic like a red I see the boys break they necks when i walk on by
Fat ol? ass, thick ol? thighs
Mrs. Trina, baddest bitch, that? s right
Diamond princess running 3.0.5 I still don? t see nae hoe and me, I pimp niggas
Can't you tell by the juelz, my nigga
Ya whole career is worth one of them diamonds in my ear
And if you don? t eat pussy, get the fuck out of here
They will call you to the telly and set yo ass up
I'll call the jack boyz, come through masked up
And all my girls in the club working fa a dub
Work that pole and let them hoes know watssup, umm Green means go, yellow means slow
Red means stop, now drop, now roll
Girl, you got a ass stopping traffic like a red
Stopping traffic like a red Green means go, yellow means slow
Red means stop, now drop to the flo
Girl, you got a ass stopping traffic like a red
Stopping traffic like a red Addicted to the glamour life
But the gutter runs through my veins
That be little Mrs. Trina, I? m off the chain
You name it, I done it, I did it, I lived it, I seen it
I ride fa my, die fa my, lie fa my bitches
T R I N A, y they wanna hate I?
Maybe 'cause I? m ballin' like a young AI
Or maybe 'cause I? m ballin' like Jim Jones fly high I don? t want coca money
I want Opra money
Vida loca money
You can keep that poker money Once they taste this
They hucked like bases
And me I'm at the bar
On patron with no chasers Green means go, yellow means slow
Red means stop, now drop, now roll
Girl, you got a ass stopping traffic like a red
Stopping traffic like a red Green means go, yellow means slow
Red means stop, now drop to the flo
Girl, you got a ass stopping traffic like a red

Stopping traffic like a red
