

# To Be So Lonely

Harry Styles

[Verse 1]

Don't blame me for falling  
I was just a little boy  
Don't blame the drunk caller  
Wasn't ready?for?it all

[Pre-Chorus]

You can't?blame me, darling  
Not even a little?bit, I was away  
And I'm just an arrogant son of a bitch  
Who can't admit when he's sorry

[Chorus]

Don't call me "baby" again, you got your reasons  
I know that you're tryna be friends, I know you mean it  
Don't call me "baby" again, it's hard for me to go home  
Be so lonely

[Verse 2]

I just hope you see me in a little better light  
Do you think it's easy being of the jealous kind?  
'Cause I miss the shape of your lips  
You'll win, it's just a trick  
And this is it, so I'm sorry

[Chorus]

Don't call me "baby" again, you got your reasons  
I know that you're tryna be friends, I know you mean it  
Don't call me "baby" again, it's hard for me to go home  
Be so lonely

[Post-Chorus]

To be so lonely, to be so  
To be so lonely  
To be so lonely, to be so  
To be so lonely

[Bridge]

And I'm just an arrogant son of a bitch

Who can't admit when he's sorry

[Chorus]

Don't call me "baby" again, you got your reasons  
I know that you're tryna be friends, I know you mean it  
Don't call me "baby" again, it's hard for me to go home  
Be so lonely

[Post-Chorus]

To be so lonely, to be so  
To be so lonely  
To be so lonely, to be so  
To be so lonely
