

Pure Hatred

Chimaira

I have told you things need to change
You never listened or came to my aid
The vicious cycle has not changed
My time's spent rearranged Motherfuck it all
I can't stand this
Remember when I said
Everyone makes me sick
Well nothing has changed I hate everyone
I hate everyone This vicious cycle still remains
Constant clusterfuck, bloodstains
Ignorance, you kill for God
Expression not allowed
You fucked it up
With your motherfucking games
Remember when I said
I was so ashamed
Well nothing has changed I hate everyone
I hate everyone You have to
Pick and choose your fights
You have to
Come out of this alive I have told you things need to change
You never listened or came to my aid
The vicious cycle still not changed
My judgment fades away
You'll never change me
Remember we are through
I am staying here
To betray all of you
And nothing will change I hate everyone
I hate everyone
I hate everyone
I hate, and I hate, and I hate everyone
