

# Tears In the Rain

**Tim McGraw**

It was raining hard in Houston, when I ran into her  
I searched for conversation, but I was lost for words  
Then a cloud of tear filled memories came crashing down on me  
If it hadn't been for the pouring rain, I'm sure she would have seen Tears in the rain, hiding the  
pain  
Maybe she'd come back if she could see me cry  
She thinks I'm so strong, oh but she's so wrong  
She just couldn't see these tears in the rain Now I regret that moment, cause I didn't let her know  
How much I still loved her, I was hoping it would show  
But the rain drops and the tear drops ran together on my face  
Now she'll never ever know, no one can take her place Tears in the rain, hiding the pain  
Maybe she'd come back if she could see me cry  
She thinks I'm so strong, oh but she's so wrong  
She just couldn't see these tears in the rain  
She thinks I'm so strong, but she's so wrong  
She just couldn't see these tears in the rain
