

# You & I

## One Direction

[Verse 1: Niall & Liam]

I figured it out  
I figured it out from black and white  
Seconds and hours  
Maybe they had to take some time  
I know how it goes  
I know how it goes from wrong and right  
Silence and sound  
Did they ever hold each other tight like us?  
Did they ever fight like us?

[Chorus: Harry]

You and I, we don't wanna be like them  
We can make it 'til the end  
Nothing can come between you and I  
Not even the Gods above  
Can separate the two of us  
No, nothing can come between you and I  
Oh, you and I

[Verse 2: Zayn, Niall and Liam & Louis, Niall and Liam]

I figured it out  
Saw the mistakes of up and down  
Meet in the middle  
There's always room for common ground  
I see what it's like  
I see what it's like for day and night  
Never together  
'Cause they see things in a different light like us  
They never tried like us

[Chorus: Harry & Zayn]

You and I, we don't wanna be like them  
We can make it 'til the end  
Nothing can come between you and I  
Not even the Gods above  
Can separate the two of us  
(Two of us, two of us, two of us, two of us)  
'Cause you and I  
We don't wanna be like them

We can make it 'til the end (until the end)  
Nothing can come between you and I (Nothing can come between)  
Not even the Gods above  
Can separate the two of us (two of us)  
No, nothing can come between you and I  
You and I  
Oh, you and I  
Oh, you and I  
We could make it if we try, you and I  
Oh, you and I
